Unleash the Gospel at Work

THE PROBLEM

Christians struggle to live their faith in the workplace for one or both of two reasons: they're afraid to do it, or they simply don't know how to do it.

WE'RE HERE TO HELP

Our mission is to help women and men live their faith and witness to Christ and the Gospel in the workplace.

We offer practical advice, best practices and tools for doing this at all levels of an organization.

OUR PHILOSOPHY

We believe in taking a positive, non-confrontational approach to living one's faith in the workplace. After all, we have Good News.

THE SOLUTION

Discipleship in the Workplace events are focused on helping individuals at the associate level of the organization. These events can either be talks or workshops and run from 1-2 hours depending on the format and number of participants.

Equipped for Mission events are designed to help individuals at all levels of the organization live their faith at work, from the associate to the leader to the Owner/CEO. These events can be talks, workshops or conferences and run from 2-8 hours depending on the format and number of participants.
